

**I'm a
Scientist**
Get me **OUT** of here

School students ask brilliant questions. Are you up for answering them?

Five scientists put up profiles on our website, answer questions and have live online chats with school science students. Students vote and one scientist in every zone wins a prize of £500 to communicate science to the public.

"If you can't explain what you're doing to someone who's 15 years old, you probably don't know what you're doing yourself"

Neil Dhir, University of Oxford
