

**I'm a  
Scientist**  
Get me **OUT** of here

*Your students talk online with  
real scientists over a 2 week  
period and vote for their winner*

Students see that scientists are normal people, learn how their science lessons relate to real life, and become more enthused about science.

**For Year 5 to Year 13 students**

Completely  
**FREE**  
for state-maintained  
UK schools

*"The students really  
enjoyed it (constant  
cries of 'he's answered  
it!' and 'that's so  
cool') and I think they  
learned a lot!"*
